Relocation Team Introductions

Resident Survey Info and Q&A

Relocation Plan is out for feedback through May 31.

Notes will be on the website!

Which residents qualify to receive relocation assistance?

- In the United States legally.
- Listed on a Heritage Park lease agreement.
- Have made rent payments as scheduled or are in a repayment agreement with RHA, **and**
- Not being evicted by your Manager.

HUD Section 18 Application

- RHA will apply for Section 18 approval by June 30, 2024.
- RHA transfers Heritage Park to a separate entity, but we will still have control of the property.

Approval means:

- RHA can apply for vouchers for every "occupied unit" at Heritage.
- HUD accepts our concept and relocation plans
- We will be able to seek funding for redevelopment.

What housing options will we have?

You can choose:

- Another RHA public housing community or site,
- Section 8 using a tenant-based housing voucher, or a
- Project-based voucher community or site.

RHA staff will be working with you to help to identify when and where you will be moving. You have the right to return and choose if you want to come back. Returning residents will receive priority on the waiting list. RHA will help pay to move you out and back if you want to return to this community.

You will not lose housing assistance because of redevelopment!
